## ABOUT ME

Enthusiastic and driven Information Technology graduate with a solid software development and programming foundation. Proficient in programming languages including C#, and Visual Basic .NET, PHP, and Android Programming (Flutter), with hands-on experience in Web Development, and Database Management. Adept at problem-solving and collaborating in team environments. Seeking an opportunity to apply academic knowledge in real-world projects, further develop technical skills, and contribute to innovative solutions in a dynamic IT environment.
